Testimonials

Saint John Paul II Catholic Academy

"We have been using RARE Moving & Storage for the past 10 years due to their professional, friendly and capable service. RARE has done a variety of jobs including emptying school buildings, moving furniture and items between our school buildings, and smaller jobs within our buildings. Each time the job has been completed on time and done right. Management is always great to work with.

We highly recommend RARE Moving & Storage."

DANIELA CORTE

Daniela Corte Boutique

"My experience with RARE Moving & Storage and Kamau was fantastic. I was moving my fashion studio on Newbury Street after 10 years of being in the location. There was a pandemic raging. I had spent the previous two months trying in vain to negotiate with the landlords to stay while the world was locked down. The store was packed from floor to ceiling with product and fabric and marketing/display materials and industrial sewing equipment. Half was going to a new production location and the other half to a new store location. The perfect storm for movers. But even with all that, everything went flawlessly. Nothing broken. Nothing damaged. Everything handled as if I were a newborn baby. I cannot recommend them more highly."

After more than a decade of working together, they are our "ace in the hole" when it comes to all things moving/packing/storage.
